Dear Valued Chamber Member,

January 14th, 2025

We are deeply grateful for your continued support and commitment to the Salem Chamber of Commerce. Over the past seven years, we have worked hard to maintain our membership dues without any increase, allowing us to offer valuable services and benefits while keeping the costs stable.

However, to further our mission and enhance our outreach and engagement efforts, we find it necessary to adjust our membership dues by a modest 10% for the upcoming year, 2025. This adjustment will enable us to expand our programs, improve member services, and create more opportunities for meaningful connections and growth within our community.

We understand that any increase can be challenging, and we want to assure you that this decision was made after careful consideration of our goals and the best interests of our members. The additional funds will be directly reinvested into initiatives designed to benefit you and the entire membership. The new membership dues will take effect in January of 2025, and we will provide detailed information about the updated rates and payment options soon.

Thank you for understanding and continued dedication. Together, we can achieve even greater heights in the year ahead.
